

# COLOURS

---

LUX is continually expanding our already vast selection of colours, which includes an impressive selection of different woodgrains, unique metallics, premium textures, and other trendsetting solid colours. All of our colours are created with a top-of-the-line Kynar500 PVDF finish and carry a 40-year warranty.

## ORDERING LUX COLOUR SAMPLES

At **LUX Architectural Products**, we strive to showcase our extensive range of colors with the utmost accuracy.

However, please be advised that the colors displayed on your screen may not precisely match the actual shades of our products due to variations in display settings, screen resolutions, and individual device characteristics. Please note that while we make every effort to depict colors accurately on our website, factors such as lighting conditions and material finishes may also affect how colors appear in person.

**TO ENSURE COMPLETE CUSTOMER SATISFACTION AND TO ACCURATELY ASSESS THE COLORS OF OUR ARCHITECTURAL PRODUCTS, WE HIGHLY RECOMMEND ORDERING SAMPLES BEFORE MAKING ANY FINAL DECISIONS.**
